US

SHE LOVES US

SHE NEEDS JESUS

Prayer for the Mom Who Needs Rest

- Heavenly Father, I come to you today, humble and exhausted, and ask that you can help to carry my mom's burdens. I pray that you lift up her weary spirit and fill her with your love and peace so that she may be restored and renewed in body and mind. Lord, pour your heavenly nourishment into her soul and give her the energy to sustain her in her role as a mother. I pray in the precious name of Jesus, Amen!

Prayer for the Anxious Mom

- Lord, I trust in you and lean on you. I thank you for your mercy and provision for me and my family. I come to you again and ask that your will be done in this situation we are currently facing. Guard the heart and mind of my mom and keep her focused on your will. Lord, please send your Holy Spirit to breathe your peace into her soul and walk with her during this difficult moment. I pray in the precious name of Jesus, Amen!

Prayer for thankfulness

- Dear Lord, I know you have a plan for my mom and family and I thank you and praise you for giving me my mom. She may feel tired and frustrated sometimes because we do not know how to say thank you to her. Lord, please give her the strength to continue being obedient to your word in taking care of us. Teach her to wait in hope and confidence for you to make your will known – in your time. I pray in the precious name of Jesus, Amen!

Prayer for Health & Protection

- Dear Lord Jesus, my Great Healer, please bring health to my mother. Fill her with your love and power so that she can wake up every morning with strength and energy. May You heal her hearts and protect her from further hurts. Gracious God, I ask this with a passionate and loving heart. Please shield my mother from any hurt and illnesses, just as she has shielded and protected me. I pray in the precious name of Jesus,, Amen.
